Subject : Request to schedule University examination for II, III and IV BPT in September 2021.

Respected Madam,

This is to bring to your notice that due to the COVID pandemic, II, III and IV BPT have undergone most of their training through online mode. Due to the lock-down restrictions imposed, there was inadequate time for offline practical/clinical skill training for students.

A vast majority of skill training was delivered via online mode. Despite all possible creative efforts of faculty members, the students still lack in practical/clinical skill training because of limitations of online mode for hands-on skill training.

Please refer to Table presenting details of clinical training delivered.

	Total hours	Online	Offline	Remaining clinical hours
Functional diagnosis & Physiotherapeutic skills (III BPT)	325hours	71 hours	29 hours	225 hours
Musculoskeletal Physiotherapy (IV BPT)	140 hours	28 hours	40 hours	72 hours
Neuro Physiotherapy (IV BPT)	140 hours	28 hours	40 hours	72 hours
Cardio-vascular & Respiratory (IV BPT Physiotherapy)	140 hours	28 hours	40 hours	72 hours
Community Physiotherapy (IV BPT)	115 hours	28 hours	40 hours	47 hours

May we request you to consider the deficiency in practical/clinical skill training hours and allow us adequate time to train students in practical/clinical skills.

Therefore, we propose to offer offline practical skill training to BPT student from 3rd July 2021-10th August 2021, conduct Prelim Examination from 14th August- 30th August 2021 and request to schedule University Examination in mid-September 2021.

May we request your guidance and support in this matter.

Thanking you,

Kind Regards

Dr. Rajani Mullerpatan
